### Big Idea

I can care for others by following Christ's example of self-sacrificing love.

### Prepare

Grab your Bible, a pencil, a notebook/journal, and a device to access online content. Find a quiet place to sit. Ask the Holy Spirit to open your heart to hear and apply God's Word.

### Sing

Click on this [link for silly song](#). No one can see you, this is your chance to break out your awesome dance moves as you sing! Click on this [link for a not so silly song](#).

### Review & Preview

Review memory verse by writing it in your notebook/journal: *"And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ."* *Philippians 1:6*

In your notebook or journal, write down the answers to these questions:

1. Who wrote the book of Philippians?
2. Who received this letter?
3. Where was the author when he wrote this book?
4. Why was he there?

Last week we talked about Jesus, our Superhero example of humble service and self-giving love. This week we meet two of Paul's friends, Timothy and Epaphroditus. These two men aren't superheroes, but they are Christ-like models for us. These "Ordinary Joes" are passionate about living like Jesus.

In your notebook or journal, write down the name or draw a picture of a person who has modeled Jesus to you. List three characteristics of your friend that you want to copy. For example: MOM - loving, kind, selfless.

### Watch, Read & Discuss

Find **Philippians 2:19-30** in your Bible & click on this video link: [Lesson on Philippians 2:19-30](#).

### Apply & Pray

Like Timothy, you have special people in your life who share Jesus with you. Maybe, it's your mom or grandma, a family member, a coach or teacher, or a friend. What has this person taught you or showed you that you'll never forget? Thank God for this special person! Then, send a note of thanks.
